

Dear Clients,

February 2026

The charity **Didcot Volunteer Drivers** opened in 1987 and in 2004 we first asked our clients to give a donation to enable us to continue to pay the running costs for our office in Mereland Road.

**Please support Didcot Volunteer Drivers by registering as a client for 2026.  
All clients are asked to make an annual donation of £10.**

If you wish to use our services in 2026, please register by completing the form below and send it with your donation in the enclosed addressed envelope. **Please** affix the correct postage, as we are unable to pay the £5.00 for recovery from the Post Office.

**Please reply as soon as possible** to ensure your current details are included on the database.
